

COVID-19 Prevention Standards In Public Accommodation Facilities

This public accommodation facility is required to meet the following standards for the prevention of COVID-19, pursuant to NAC 447E, as adopted under Senate Bill 4 (SB4). To report violations, contact the Southern Nevada Health District at 702-759-1633 or environmentalhealth@snhd.org.

COVID-19 Prevention and Response Plan

1. Facility has implemented a SARS-CoV-2 prevention and response plan (447E.080)
2. A designated person(s) is responsible for overseeing and implementing the plan (447E.080)
3. Training procedures for employees to prevent transmission of COVID-19 are in place and training documentation is maintained (447E.075)
4. A one-page summary of COVID-19 prevention standards and key contact numbers at SNHD are posted at employee entrances and on bulletin boards (447E.070)

Standards to Protect Employee Health Against COVID-19

5. An area(s) has been designated where employees check in daily for temperature assessments and screening questions (447E.080)
6. Appropriate PPE is available for staff at no cost and no known ill employees are working (447E.075)
7. Facility has protocols for when employees must be tested for COVID-19 (447E.080)
8. Employees returning to work after March 13, 2020 undergo SARS-CoV-2 testing (447E.080)
9. Employees who may have been exposed to SARS-CoV-2 are notified by the facility within 24 hours of suspected contact or as soon as practicable (447E.080)
10. Employees experiencing symptoms of COVID-19 or reasonably believe they have been exposed to SARS-CoV-2 undergo testing for SARS-CoV-2 (447E.080)
11. Facility provides staff appropriate paid time off for pending or positive results, as required (447E.085)

Standards for Cleaning to Reduce Spread of COVID-19

12. Facility is appropriately using cleaning products registered by the EPA as effective against SARS-CoV-2 (447E.060)
13. High contact areas and items used by the public and employees are cleaned frequently while in use (447E.060).
14. Key cards and other types of keys for accessing rooms are cleaned between guests or removed from circulation for 24 hours (447E.060).
15. Handwashing sink(s) with soap are accessible and employees are frequently washing hands (447E.075)
16. Dispensers of hand sanitizers with 60% alcohol are properly located and accessible for employees and guests (447E.075)
17. Guest rooms are cleaned daily when in use, unless the guest declines in-room housekeeping (447E.060)
18. Facility does not advise or incentivize guests to decline daily room cleaning (447E.065)
19. Adequate social distancing protocols for guests and employees are maintained (447E.075)
20. Employee workstations are structured and/or separated by space or physical barriers to allow social distancing where practical (447E.075)
