Design and Construction Committee

The NHLA design and construction committee provides industry advice and guidance on new property design and construction as well as renovation of existing structures. The committee assists in ensuring alignment with standards and safety regulations along with introduction of design concepts and trends. Members have expertise in various areas and will share their leadership, innovative ideas, and assistance with all of NHLA membership.

NHLA Women in Lodging Committees

NHLA Women in Lodging is the premier state-wide industry organization exclusively for female hospitality professionals. NHLA Women in Lodging provides the ideal forum to promote women's leadership as well as professional career development. NHLA Women in Lodging offers a dynamic mentor program, seminars, workshops, networking events, community philanthropic involvement, and access to female industry leaders.

Mentor Committee

The WIL mentor committee helps to guide the activities and coordination of the mentor programs that are offered two times per year for the WIL members.

Philanthropy Committee

The WIL philanthropy committee leads the activities in support of the selected charitable organizations which may include donation drives, fundraising events and educational resources.

NHLA Emerging Leaders Committees

Emerging Leaders is a division of the Nevada Hotel and Lodging Association comprised of young industry professionals under the age of 36. Under the guidance of the NHLA staff, it exists to engage young professionals in the Nevada hospitality and support industries through the development of local resources including networking, mentorship, philanthropic and educational opportunities.

Emerging Leaders Council

The council is comprised of leaders from across the NHLA membership with responsibilities to include assisting in coordinating relevant events and providing resources for our younger leaders.

Mentor Committee

The mentor committee members help to coordinate activities related to the Emerging Leaders mentor program which is offered twice a year.

The Nevada Hotel & Lodging Foundation

Supporting the industry and community, we help to create futures.

VISION

To be the leading provider of educational financial support for Nevadan families in the hospitality industry

MISSION

We fuel the hospitality industry by providing the opportunity for further education for Nevadans

VALUES

INVEST

We invest our time to benefit the talent in Nevada

NEVADA FIRST

We plan to support Nevadans while focusing on members of NHLA and their families

COMMUNITY

We will rally our whole community to find support from all industries for the betterment of our state

ACCOUNTABLE

We will remain accountable to our industry

MENTORSHIP

We will guide the hospitality career of all academic beneficiaries through a robust mentorship program

THINK BIG

We will grow and help as many Nevadans in the hospitality industry as possible

NHLF Committees

Fundraising Committee

The fundraising committee has the responsibility to meet the financial goal set each year. This is accomplished through soliciting and receiving monetary contributions from donors within and outside the hospitality industry.

Events/F&B Committee

The Events and Food and Beverage committee is responsible for creating, managing and coordinating events annually that generate funds for the foundation. A minimum of one main event will take place and be developed into a signature event on an annual basis. Smaller, more frequent events will be scheduled throughout the year with proceeds benefitting the foundation.

Education/Mentoring Committee

The education and mentor committee exists to develop and maintain the related foundation program components including scholarship application process, communication and administration.

Communication Committee

The communication committee is responsible for helping to develop, create and maintain the brand throughout all communication areas including website, social media and marketing or informational collateral.

*To join a committee, please contact Diane Gandy, 702-430-4569 or
