

Employee Safety Solution

STATE OF NEVADA

- ✓ **Small & Easy to Use** - Our discreet panic buttons are unobtrusive to wear while working and simple single button activation makes calling for help easy.
- ✓ **Compliance Standards** - Fulfills and satisfies all union, city and state mandate requirements. We're a proud partner of the AHLA 5-Star Promise.
- ✓ **Friendly Tech** - Can integrate with your existing hardware and software infrastructure to help save on costs.

Exclusive Promotion for NHLA Members

At React Mobile, we understand the struggles hoteliers are facing during these times. For a limited time, we are waiving* significant operational expenses (OPEX) fees for our Employee Safety Device Solution when you sign up by **December 15th, 2020**.

**Valid for only new customers.*

Everyone should feel safe at work

Unfortunately sometimes bad things happen to good people. From medical emergencies to harassment and assault, your staff can occasionally encounter dangerous or threatening situations. Get help where you need it fast. Our solution allows you to deploy resources to the exact location of the emergency within seconds of an alert.
