How to set up an appointment.

Go to the SNHD COVID vaccination website: <https://covid.southernnevadahealthdistrict.org/vaccine/distribution/>. Towards the bottom of the page, select the box for Frontline Commerce and Service Industries. Workers meeting this requirement can register and make an appointment for any of the sites listed. Workers must have proof of employment such as a work badge or pay stub in order to receive their vaccine regardless of whether or not they have an appointment, as well as a photo ID. If no appointments are available, we request that workers check back frequently as appointments open up on a regular basis based on vaccine availability.
