

# Payment

Accept payments anywhere, anytime on any device.

has partnered with Heartland to help your business with an extensive, flexible suite of solutions, tailored to meet your individual needs. Heartland provides critical services, including card processing, gift and loyalty marketing, billing solutions and much more.

 **Integrated Payments**  
You'll be able to accept payments anywhere, anytime, on any device. Our payment solutions integrate seamlessly with most point-of-sale systems. We'll set up your terminal and get you up and running without you having to lift a finger.

 **Mobile Pay**  
Whether your business is always on the go or you need an extra payment terminal in your storefront, Mobile Pay has the tools you need. Mobile Pay's app and reader accept chip cards, contactless (Apple Pay®/Google Pay™), magstripe, cash and checks, and are compatible with iOS and Android phones and tablets.

 **Ecommerce**  
Heartland Ecommerce is a full-service platform that allows you to set up an online portal for ordering, selling products and collecting payments. It combines both gateway and payment processing services to securely accept orders and payments.

 **Bill Payments**  
We'll help you select and integrate the right bill payment solution for you. You'll also be able to access consolidated reporting across all payment channels and methods.

 **Pricing**  
Fair and transparent pricing minimizes your payment acceptance costs to put more money in your pocket.

With our interchange optimization service, you qualify for the best rates and save with cost reductions immediately. Plus, flexible funding options to get payments in your hands sooner.

 **Safe and Secure Transactions**  
Heartland Secure is the most secure card processing solution in the payments industry, backed by a comprehensive warranty. We use three powerful technologies — EMV, end-to-end encryption and tokenization — to protect your customers' card data.

 **Customer Engagement**  
Heartland helps you attract new customers and turn current patrons into loyal fans with gift and loyalty marketing, email marketing, analytics and customer intelligence.
